WHY WE PRAY
May 30th, 2021
Pastor Tim Schieck

Use these questions (Either privately or with your group) to assess how you approach prayer and the state of your prayer life.

What is prayer? What scriptures come to mind when thinking about prayer and what it should look like?

What is God's purpose in giving his people the gift of prayer?

How would you describe your prayer life?

What do you struggle with most in cultivating a habit of prayer?

How does your view of God's supremacy affect your posture in prayer?

How does your view of God's intimacy affect your posture in prayer?
