SERMON NOTES

Substance Not Shadows

Read Colossians 2:16-23 (Groups: read it twice with different readers)

What is your favorite holiday? What is your favorite part of the celebration?

Do you have any close relationships with brothers or sisters in Christ who hold convictions different from your own? How can you make sure your convictions in secondary matters do not become divisions? Read Romans 14:17.

What makes someone a Christian? Do you ever find yourself wanting to add “extra” practices or choices to your definition? Why is this not only confusing, but plainly dangerous to the message of Jesus Christ?

Why is rigid legalism incapable of transforming a person’s heart or saving anyone? Oppositely, why are God’s love and grace such powerful agents of redemption?

How does a focus on outward spirituality and earthly displays of piety lead to arrogance? How does God grow his people spiritually (pay particular attention to verse 19)?

Read Galatians 3:28. What does it mean to be one in Christ? What hope does it give Christians to be united and share in Christ together?
