## SERMON NOTES

### SERMON QUESTIONS

*Read Colossians 4:7-18 (Groups: read it twice with different readers)*

*On the surface, a passage like this can seem like an unimportant list of names, but it has much to teach us. Take a few minutes to list everything you learn about the people mentioned here, just from these verses.*

*Why is encouragement important both for Christians to give and to receive? When we encourage someone, what are we giving them? When we receive encouragement, what is being given to us?*

*Have you ever been comforted by a brother or sister in Christ during a difficult time? What did they do that brought comfort to you? How do you try to comfort others who are suffering?*

*Who do you pray for and who prays for you? What difference would it make for you to know that you had some people praying for you in the midst of trial? How do you pray for others close to you or in our church family?*

*What ministry has the Lord given you? Every Christian has a gift that can bless others and glorify God. What do you think your gifts are? Are you currently using them to build up the church?*

*What is one great truth you have seen in Colossians that you want to carry forward with you and share with others?*
