## SERMON NOTES

### SERMON QUESTIONS

*Read Hebrews 13:15 (Groups: read it twice with different readers)*

*If someone unfamiliar with Christianity asked you how Christians worship, what would you say?*

*Read Hebrews 13:10. What is the Christian "altar"? Consider what the author wrote in Hebrews 10:12 and 10:22. How does Jesus make the way for us to draw near to him?*

*Do you see a connection between "lips that acknowledge his name" and bearing "fruit"? How are the two related?*

*Why must our worship go through Jesus? What difference does he make in the way God the Father observes and receives our worship?*

*How do we continually praise God? What habits, rhythms, or tools have you found helpful in ongoing worship?*

*What role does the Sunday service have in your life of worship? Do you see a connection between personal and corporate worship? What is it?*
