### SERMON QUESTIONS

*Read Proverbs 4 slowly and deliberately (Groups: read it twice with different readers)*

- 1. What are the main pieces of Wisdom the father imparts to his son in this passage?*
- 2. What does it mean that wisdom will guard the one who seeks her?*
- 3. The father tells his son of two voices, one of wisdom and light, and one of wickedness and darkness (vs. 6-7). What voices are you prone to listen to? Who or what influences you?*
- 4. How does this passage instruct us to continue following the voice of Wisdom?*
- 5. In what areas are you most likely to doubt the wisdom and goodness of God? How can you be reminded of God's trustworthiness even in times of difficulty or hardship?*
