SERMON QUESTIONS

Read Luke 14:12-24 (Groups: read it twice with different readers)

Why does God honor humility? What about a humble servant is particularly pleasing to God?

Read Luke 14:1-11. What is the context of this meal? What happens prior to Jesus telling this parable? How is healing a man on the Sabbath, choosing a seat at a table, and a banquet guest list related?

The Pharisees seem to be trying to trap Jesus here. How does he respond? What do the parables he tells teach about the variety of people that will be invited into the Kingdom of God?

What do the three excuses for turning down the banquet invitation have in common? What does that say about each of the three men who decided not to come?

Read Romans 11:33. God's gift of faith remains mysterious. Why does it bring him more glory for his ways to be beyond human understanding?

God gives though he can never be repaid. Do you find it challenging to be similarly generous? Who can you bless this way?
