## **SERMON NOTES**

### **SERMON QUESTIONS**

*Read Jude 1-4 (Groups: read it twice with different readers)*

*Who was Jude, who was he writing to, and why did he write?*

*What is the faith once for all delivered to the saints? Is it true that there are certain truths that all Christians must believe? Read Romans 6:17. Summarize the great truths that unite Christians.*

*How do people pervert the grace of God? Read Acts 20:29-30. How can deceptions from within the church be identified? What denials of the gospel have you heard recently?*

*How do Christians contend for the faith? One common challenge is separating primary concerns from secondary matters. How do we focus our prayers, time, and efforts on first order contentions?*

*Why is the calling and keeping of Christians by Jesus Christ of such comfort? Read Jude 24.*

*The Christian faith has been delivered to us by former generations according to the grace of God. What opportunities are you taking to deliver the faith to others? This should start with those closest to you, but who can you share the gospel with and encourage in an expanded circle of people you know?*
