## **SERMON NOTES**

### **SERMON QUESTIONS**

*Read John 1:1-5 (Groups: read it twice with different readers)*

*If someone asked you, "How can I know God?" What would you say?*

*What does it mean that Advent is a season of light in darkness? Where do you see darkness? How is the Word hope for a dark and weary world?*

*Read Genesis 1:1-4 and Colossians 1:15-17. What connections is John making between the Word and creation? Why is the eternity of the Word critical to glory John is ascribing to him?*

*How do we find our life in Jesus? What else do we look at to try and find life? How can you tell if your life is in Jesus or in something less than him?*

*How does light overcome darkness? At the beginning of his Gospel, how does John use this imagery to establish the power of God and the Word?*

*What can you and your household do to focus on the light of the Word in a new and meaningful way this Advent season?*
