SERMON QUESTIONS

Read Jude 24-25 (Groups: read it twice with different readers)

Why did Jude write this letter? Do you think he accomplished his goals?

Read verses 1, 6, 13, 21, and 24. How does the theme of God keeping some people in his love and others apart from him shape this letter?

How does God present us blameless before himself? Read Leviticus 1:3. Why is blood necessary for removing the stain of sin and how can Jesus' blood be sufficient for anyone who trusts in him?

Why must we surrender to God's dominion and authority? How does a person who tries to lead themselves walk a dangerous path?

Do you know someone who has stumbled in their faith? How can you admonition or encourage him/her? Do you worry that your faith will falter? What hope and assurance do these verses give you?

What does Scripture say the presence of the Lord is like? What does it say about where God's love is absent? How are these two very opposing pictures sobering? What actions do they spur on in you?
