SERMON QUESTIONS

Read John 6:22-34 (Groups: read it twice with different readers)

Why was the crowd chasing Jesus? Why, then, did Jesus leave at night? Why did he want to get away unnoticed?

What does God want us to do? Why is believing in Jesus superior to rituals or self-justification?

Read Deuteronomy 8:2-3 (Exodus 16:4-7 for context). What was the manna meant to provide for and teach the Israelites? What is Jesus now saying the manna pointed toward?

Read Psalm 34:8. What is the Lord better than? How do we know that?

What are some second-rate reasons we go to Jesus? How can we set ourselves up to make sure we are going to him for the best reason? What is that best reason?

In verse 34, when the people ask for the “bread [from heaven] always,” do you think they truly know what they are asking for? Why or why not? How is God gracious to us even when we ask for the wrong things?
