SERMON QUESTIONS

Read John 6:1-21 (Groups read it twice with two different readers)

What do you think Jesus thinks of you? What do you think of him? Do you see him as a disappointed, reluctant savior or a savior who takes joy in you?

What is the main point Jesus was making in John 5:19-47? What does life in him have to do with wanting to be with him more and more?

Read Psalm 46:1. Unpack that verse, it says so much. Where is God when we are in trouble and feel alone?

Read 1 Peter 3:18 and 1 Timothy 2:5. How does Jesus carry us where we need to go?

Why were the disciples frightened when they saw Jesus walking on the water? Does anything about Jesus ever frighten you? Why is his presence of great comfort, always?

How can believing God will not give you his grace and being prideful both prevent us from enjoying a fulfilling relationship with Jesus?
